

ALLERGENS - APRIL 2016

Notes:

The table represents allergens contained in dishes (identified with an X). Discrepancies may occur due to variations in ingredients, preparation, servings or custom requests. All products are exposed to a high risk of cross-contamination in restaurants. It is for these reasons that all dishes may contain dairy products, eggs, peanuts, nuts, soy, fish, seafood, shellfish, sesame, wheat, mustard and sulphites.

Sides aren't included in dishes allergens. Refer to "Sides" categories to get the allergens specific to your selection.

* This dish excludes the choice of side dish, sauce or dressing. Refer to "Sauces" and "Dressings" categories to get the allergens specific to your selection.
